 also survey on sec. lines around $\frac{1}{4}$ Sec. Sec. 11. The road
 as petitioned for passes over sand hills: while around
 on sec lines the hills are avoided, Mr. McCorle, owner of $\frac{1}{4}$ Sec.
 of Sec 11, being present declares himself better satisfied
 to locate the road around said $\frac{1}{4}$ Sec. on sec lines, pro-
 vided he do not be required to move his fence posts,
 set recently, on his south line; the viewers therefore
 order the road located around the $\frac{1}{4}$ Sec. of Sec 11. and in
 such manner as the whole of the road from Cor. to secs.
 11-12-13-14 to the $\frac{1}{4}$ Sec. Cor. bet. Secs. 11 & 14 may lie $\frac{1}{4}$ of a
 line of fence posts on sec. line; or in other words, the
 road between the points described, shall be located
 wholly in NE $\frac{1}{4}$ of Sec 14. I therefore continue survey
